What are the main issues and priorities for change that you have identified?

I want to change the wall on main road [Furnace]
Mainly the local bus service a regular small bus between Aish and Inveraray would be good
No tradespeople. Need more people to move here, more people to pay Council tax, get more electricians etc.
People get dumped with no transport bins on pavements/roads dangerous
People still speeding through village. Don't feel safe walking pavement. Lorries travel too close to path. Bad roads Queen Elizabeth Cottages. Need 2 salt bins to enable us to use our salt spreader safely.
Speeding traffic above 40 mph Bigger bin for litter at the layby

What actions could be taken to deal with this?

better planning for housing better transport
Pay people to move here
Refix the main road wall crack
