In Southend the main problem affects pedestrians walking on the road especially with the gr amount of campervans. However part of the village has a parking problem where the view for oncoming traffic is restricted. However for those working and shopping in Campbeltown, due to poor public transport, a car is essential and the lack of parking especially in relation to getting to shops is an issue for older people
 Provide more parking in Campbeltown and people would still park outside where they want to c

Dilapidated buildings in Campbeltown let the town down. Great refurbishment of town hall etc.
