Bus service is OK, but not frequent enough.

Could do with more regular buses & later buses from Oban to the outskirts. Taxis are very expensive compared with other .48 ren7.2.8 (a)13.6 (r)3.1 (b)5.2 (u)3- (o)-3.6 82.7 (xi)2.7 (s)12.6 (;

A lot of what we had is now being used up for overspill housing. Many trees have been removed & very little new appear to have been planted. Wildlife has suffered too.
Living in Argyll I feel we are lucky to have this on our doorstep.
Losing natural space in Dunbeg because of house building
not while there is a major housebuilding development going on

Bins not emptied often enough
I think a lot more could be done to encourage people to live healthier more active lifestyles. From support for third sector organisations who play a vital role in encouraging and maintaining health behaviours to dedicated space for leisure and sports facilities etc. - Atlantis is at capacity of what it can offer.

I generally come into Oban to meet up with people. There are good places to have informal social contact - not great for finding space however for groups for work. The hospitality is something I think could be improved - flexibility to serve meals later, welcome tour4.6 (e)-33(t)-yQ3 Tw 0.2 (c)-4.9 (o)-9.6 (u)-0.

Big area for development. Recycling facilities etc. are pretty poor, and bin collection doesn't seem to always run according to the diary schedule issued. Dog fouling is also an issue. Being a dog owner I do notice that I often have to carry the poo bag quite some distance before there is somewhere to dispose of it.

Very little publicly done these days. Some private houses are eyesores & there should be efforts to make the owners clean up their acts.

## What actions could be taken to deal with these?

A village hall Traffic lights at the junction Lift the grass cuttings at least every second cut
Collaboration between housing associations / private sector to identify a way to support affordable 3 bed houses in the area. Extension of the ganavan/Dunbeg cycle path out towards Connel. Action re play park which is lying unused, and support for community drive re skate park
New school with a suitable access and parking facilities.
Roads need maintaining better. Parking could be solved with "Park & Ride" up to a point. More public transport Complete cycle path from Dunbeg to Connel. More shops, Post Office, banking facilities
