

Argyll and Bute Council

Housing Annual Assurance Statement 2024

The LHS also includes a key action point to implement a detailed equalities data monitoring and reporting framework which will be reported annually to Housing Management Team, Area Committees and full Council, the Strategic Housing forum partnership and to the Scottish Government.

In 2024 The Scottish Housing Regulator notified Argyll and Bute Council that they would be engaging with the Council about it services for people who are homeless. The focus of previous engagement has been on :-

I can confirm that the Council has sufficient assurance and scrutiny processes in place to support this statement. This Statement was considered and approved at Full Council on Thursday 26th September 2024.
