Consent-Approve item XI-C – Summary of Receipts, Wire Transfers, and Check

“The purpose of this report is to ensure community and School Board awareness of the progress of the Kenosha Unified Head Start Program. This is an informational report provided every six months. Head Start is defined as a program that works with the most identified at-risk 3 and 4 year-old children and their families.

The Head Start Program has the capacity to serve 389 enrolled children. Three hundred thirty of these children are funded through the Federal Head Start Grant. Fifty-

The following contract

- 3) Elementary and Secondary School Emergency Relief (ESSER II) Grant - \$19.98MM;
and
- 4) Elementary and Secondary School Emergency Relief (ESSER III) Grant – projected \$45MM, once finalized, this grant will require public input/consultations in addition to other requirements such as a mandatory set-aside of 20% to address learning loss.

The district currently has a plan for the ESSER I grant that was approved within the adopted 2020-21 budget by the Board at the October 27, 2020 meeting. Since that time, a new grant called the Emergency Connectivity Fund (ECF) has been made available to KUSD through the Federal Communications Commission (FCC) which could be utilized to cover certain expenditures such as internet hotspots for students that we had previously planned for under ESSER I. The administration is proposing to modify the original ESSER I plan to be able to take advantage of the ECF grant and free up funds to do the following:

- x Pay the tuition costs necessary to allow 75 teachers to obtain their 316 Reading licenses (\$203,000);
- x Pay the tuition costs necessary to allow 35 teachers to obtain their English as a Second Language (ESL) licenses (\$147,000);
- x Provide additional Personal Protective Equipment (PPE) as needed (\$200,000);
and Set aside funding to cover excess Summer School expenses as needed

The administration is proposing the following items be approved and incorporated into the 2020-21 budget.

The administration recommends that the Board approve the proposed ESSER II plan, GEER plan and modifications to the previously approved ESSER I plan.”

Mrs. Modder moved to approve the proposed ESSER II plan, GEER plan, and modifications to the previously approved ESSER I plan. Mr. Price seconded the motion. Unanimously approved.

Dr. Ormseth introduced Revision of Policy 5471 – Corporal Punishment/Use of Physical Force submitted by Ms. Stacy Guckenberger, Coordinator of Special Education and Student Support, Ms. Jenny Schmidt, Director of Special Education and Student Support; Mrs. Housaman; and Dr. Ormseth, excerpt follow:

“The Wisconsin Statute 125- Seclusion and Physical Restraint was revised. The new pupil restraint and seclusion law went into immediate effect upon the signature of Governor Evers and is now in Wisconsin Statute Chapter 118 General School Operations at §118.305. Upon investigation, it was discovered that the current school board policy did not align with the new changes to the statute. The circumstances for the use of seclusion or physical restraint remain the same; they are prohibited unless a student’s behavior presents a clear, present, and imminent risk to the physical safety of the student or others, and it is the least restrictive intervention feasible. Unless expressly noted, requirements apply to all students, with or without disabilities and individualized education programs (IEPs).

The revisions to Policy 5471 - Corporal Punishment/ Use of Physical Force will include updates from the legislative action of statute Act 118 (Appendix A).

Seclusion and physical restraint are atypical, extraordinary forms of behavioral intervention that may only be used in compliance with applicable law and Board of Education Policy. In accordance with the change in legislation, District Policy 5471- Corporal Punishment/Use of Physical Force is being revised to align to new state statute Ah aa26 (c)3.9 (a)
